Moore/Halbrook Tract - Timber Sale

Sale Date: Thursday – May 4, 2017

**BIDS:**

The Moore/Halbrook Tract is being sold on a lump sum sealed bid basis for the clear-cut areas and a per unit basis for the Loblolly Pine thinning areas. Please submit a lump sum bid and a per unit bid respectively. A whole tree chipping operation is not required for the harvest but it will be taken into favorable account by Seller in evaluating and selecting the final timber bid if a whole tree chipper will be used for harvesting. Bids will be accepted by **regular mail** if received by 5:00 pm on Wednesday, May 3, 2017 **OR** bids will be accepted by **email ([whlock@whlock.com](mailto:whlock@whlock.com)), telephone (336-632-9088), fax (336-632-9088), or in-person** at my office until 11:00 am on Thursday, May 4, 2017. At 11:00 am on Thursday, May 4, 2017 all bids received will be recorded. The successful bidder will be notified within 24 hours of the bid openings. A 10% deposit may be requested to be delivered to William H. Lock & Associates, Inc. within 72 hours of the bid opening. The balance of the sales price is to be delivered at the sale closing. The seller reserves the right to refuse or accept any and all bids. Seller will consider all bids. The seller will be responsible for the timber deed preparation, revenue stamps if recorded, and the forestry consultant fees. The buyer will be responsible for all other closing costs. A \$1,000 performance deposit will be payable at closing and held in a non-interest bearing trust account until satisfactory completion of logging. The performance deposit does not limit the buyer's liability.

**PLACE OF SALE:**

The timber sale will be held at the office of William H. Lock & Associates, Inc. in Greensboro, NC. The office address is 375 S. Swing Road, Greensboro, NC 27409. Telephone and Fax: 336-632-9088; [Email: whlock@whlock.com](mailto:whlock@whlock.com)

**CONDITIONS OF SALE:**

1. The Buyer shall have 24 months from the date of the timber deed to cut and remove all specified merchantable timber within the "Sale Areas". Perimeter sale boundaries are marked with pink flagging. Select-cut boundaries are marked with orange flagging. No flagged trees are to be harvested. **A:** Any applicable "Creek Buffers" have been marked with Blue flagging. No blue flagged trees marking the buffer boundaries may be cut. All Pine of any size and Hardwoods  $\geq 16$ " DBH may be harvested from within these buffers provided all Best Management Practices, Forest Practice Guidelines and any applicable river basin or watershed regulations are followed. **B:** Clear-cut areas are total harvest areas of all species. **C:** Select-cut areas are all Pine of any size and Hardwoods  $\geq 16$ " DBH.

**Loblolly Pine Thinning:** The Buyer shall harvest defective, diseased, crooked, and suppressed pines leaving the larger, more vigorous "crop" trees. The objective is to

harvest the proper number of trees to leave an optimum stocking level of 70-90 square feet of basal area of growing Loblolly Pine timber. In areas where rows can be clearly identified, a fifth row thinning should be conducted with selected inferior trees being removed from between the rows. In areas where the rows cannot be identified, corridors should be placed approximately 50 feet apart with thinning between corridors to achieve the target basal area.

In areas where a large component of Virginia Pine has become established, the Virginia pine component should be removed first. This will allow the Loblolly Pine component to then be thinned down to the target basal area. In the event an area is primarily Virginia Pine, a total harvest will be conducted with prior approval of William H. Lock & Associates, Inc. Seller, or seller's agent - William H. Lock & Associates, Inc., shall have the express right to halt all harvesting operations in the event the thinning operation is not achieving the desired basal area targets, if remaining stems are excessively damaged, or if any provisions of this contract are not being followed.

2. The Buyer shall access the tract from Honeysuckle Road along the existing woods path leading into the parcel. All access routes will need to be installed and/or maintained according to all North Carolina Best Management Practices, Forest Practice Guidelines, and any applicable river basin or watershed rules. All roadways must remain open and passable by ordinary traffic at all times. The roadways must be left in similar condition at the completion of the harvesting operation as they were at the beginning of the harvesting operation, reasonable wear and tear accepted. Call W.H. Lock if there are questions concerning access routes.

3. The Buyer is responsible for maintaining a clean site. No equipment parts, trash, tires or other debris created as a result of the harvesting operation shall be left on the property. It shall be the Buyer's responsibility to clean up any hazardous material or chemical waste spills including but not limited to Diesel Fuel, Hydraulic Fluid, Machine Oil, and/or Gasoline upon the subject property if deposited as a result of the harvesting operation. Responsibility will include any required remediation including but not limited to the removal of contaminated soils.

4. Harvesting operations must not interfere with any farming operations and farming operations must not interfere with any harvesting operations. Decking, loading or hauling will not be permitted in any existing open fields or pastures immediately adjacent to the timber unless approved by William H. Lock & Associates, Inc. If approved, open areas must be free of logging debris, smoothed when completed, and re-seeded if necessary. All loading decks and truck parking areas must be reseeded when the harvesting operation is completed.

5. The Buyer is responsible for following all Federal, State, and local regulations regarding timber harvesting activities. If required, Buyer is responsible for obtaining any necessary permits or licenses required for timber harvesting. All logging operations must conform to North Carolina Best Management Practices, Forest Practices Guidelines, and any applicable river basin or watershed rules. In the event that a non-compliance situation is identified on the tract as a result of the harvesting operation, William H. Lock & Associates, Inc. will have the express right to suspend the harvesting operation until the situation is brought into compliance. No trees or other logging debris shall be left in or across the property boundary, sale cutting lines or access roads and paths.

6. All necessary corners and sale harvest boundaries have been marked with pink flagging. Landowner guarantees the pink flagged sale boundaries. No flagged trees denoting the sale boundary shall be cut and no trees outside the boundary lines shall be cut. If trees marking the sale boundary are cut, North Carolina timber trespass laws may apply. No trees shall be cut to fall on a neighboring landowner's property or where potential damage may occur. If existing property corners are damaged or removed as a result of the harvesting operation, Buyer agrees to replace the markers at the correct surveyed location at their own expense.

7. Buyer agrees to notify William H. Lock & Associates, Inc., P. O. Box 49571, Greensboro, NC 27419 at least 3 days in advance of the beginning of the harvesting operation and at least 3 days in advance of the completion of the harvesting operation. The buyer and/or logger must complete a pre-harvest inspection with WHL & Associates prior to beginning any logging activity.

8. Seller or their Agent reserves the right, in its sole discretion, to require the termination of all timber harvesting in the event that weather conditions cause the land to become so wet that continued logging will cause excessive site damage and rutting. Seller agrees to extend the cutting time automatically for the number of days of required termination if he exercises this item. If work is allowed to continue during the determination process, Buyer agrees to repair any excessively rutted areas.

9. The Buyer shall indemnify and hold harmless the Owner, his agent or assigns, from any and all liability and any and all loss, including attorney's fees and other reasonable expenses incurred, arising from the operations, activities, or omission of Buyer incident or related to this contract or upon the Sale Area, including such liability or loss caused by acts of omissions of Buyer's employees, contractors, sub-contractors, employees of contractors or sub-contractors, or licensees of Buyer, or to any others for property damage, personal injury, death, or otherwise. Buyer guarantees their loggers will be covered by Workers Compensation and General Liability Insurance in the amount of one million dollars and will provide satisfactory evidence of coverage at closing and maintain same throughout all logging operations.

10. Once purchased, the Timber shall not be assigned by the Buyer, either in whole or in part without the prior written consent of the Seller.

11. Seller warrants his title to said timber and agrees to defend said title against any and all claims for taxes, mortgages, or any other encumbrances at his own expense.

12. Seller or their Agent reserves the right to inspect the harvesting operations of the Buyer upon the Seller's lands at reasonable times and intervals. In the event the Seller or his Agent detects any violations of the timber deed or contract, the Seller or his Agent reserves the right to suspend all harvesting operations until the violations are corrected. Any questions regarding this sale should be directed to William H. Lock & Associates, Inc. in Greensboro, NC.
